Footnotes:

- ^{1/} The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.
- ^{2/} Because the March 22, October 5, and January 31, 2009, deadlines fall on either a Saturday or Sunday, these filing deadlines are extended to March 24, October 6, and February 2, 2009, respectively.
- ^{3/} Supplemental independent expenditure reports (Form 465) are required if the committee makes independent expenditures totaling \$1,000 or more to support or oppose a candidate or ballot measure being voted on June 3 or November 4, 2008, during the corresponding periods.
- ^{4/} A major donor or independent expenditure committee must file a late contribution or late independent expenditure report if contributions or independent expenditures totaling \$1,000 or more are made to support or oppose a candidate or ballot measure during the 16-day period prior to the candidate's or measure's election. Contact the FPPC for specific requirements.

- ^{5/} Once qualified as a committee, a major donor or independent expenditure committee must file a semi-annual statement for each six-month period in which **any** contributions or independent expenditures are made.

Additional Notes:

- Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, filing deadlines may not be extended. Late statements are subject to a \$10 per day late fine.
- All statements are public documents.
- If contributions or independent expenditures are made to support or oppose state candidates or committees, different filing requirements may apply.
